

1. Download UniFi Access mobile app from Apple App Store or Google Play store, depending on their phone operating system.
2. If user has not already signed up for a Ubiquiti account, please sign up here: <https://account.ui.com/>
They can also sign up within the mobile app as well.
3. Add the users email address to their existing intercom user or create a new user if they will be an additional user for the unit.
4. Users can then sign in to the UniFi Access mobile app to receive calls to their unit and release their lift level.

MOBILE APPS

ONCE SIGNED IN:
USER CAN SELECT SITE "BANC"

USERS CAN MANUALLY LIVE VIEW EITHER OF THE DOOR STATIONS AND UNLOCK EITHER DOOR AND RELEASE THEIR LIFT LEVEL BY TAPPING THE UNLOCK ICON.
